

Bell Ornaments

A classic Christmas sound is a bell. Many songs and stories are written about this melodious instrument. You will need one small flower pot, a pipe cleaner, a jingle bell, and a ribbon to make a bell ornament.

1. Run the pipe cleaner through the top of the jingle bell.
2. Insert the pipe cleaner (with bell) into the flower pot. Push the pipe cleaner through the hole in the bottom of the pot.
3. Twist the pipe cleaner on the outside of the pot to secure the jingle bell, then twist into a circle to provide a handle/hanger for the bell.
4. Attach a bow to the bell to decorate.
5. Read the story *Why the Chimes Rang* (also on the website) as a family.
6. Ring your bell ornaments when you reach the part of the story when the church bells ring.
