

Family Nativity

Have a Nativity treasure hunt! Hide each piece of the Nativity in a different room. Family members keep the pieces they find. As the Christmas story is being shared, each person adds their piece(s) to the stable when that character is mentioned in the story.

Discussion Questions:

- Which parts of this nativity do you think are Biblically correct?
- Was there snow on the ground in Bethlehem?
- Why do people display nativities in their homes today?
