PEEP

Preschool Educational
Enrichment Program

Dear Parents,

The PEEP's program will be offered to our 2, 3 and 4 year old morning preschool classes. This is our version of all day care with an enrichment bonus! Imagine your child having a fabulous morning of a traditional preschool class, eating lunch, having some quiet down time and then finishing their day with some great enrichment activities like art, music, gymnastics, soccer, etc. If at 3:00 when the preschool day is over, childcare is needed, Clubhouse will be available until 5:30.

The fee for PEEPS will be as follows and is above and beyond tuition for the preschool class.

1/day = \$52/Month

2/day = \$104/Month

3/day = \$156/Month

PEEPS is NOT available on days your child is not scheduled for school (example: If your 3 year old is registered for school on Monday and Wednesday mornings, then PEEPS is only available for them on Monday and Wednesday afternoons). The LEAP application is also attached.

At this time, there are limited spaces in the PEEP's classroom. A waiting list will be formed, if needed and entrance into the PEEP's program will be on a **first come, first serve basis**. Again, your child must be signed up for a **MORNING** 2, 3, or 4 year old preschool class in order to participate in PEEP's.
